

DECLASSIFIED

Authority: E.O. 13526

By: NDC NARA Date: Dec 31, 2012

10. DISTINGUISHED VISITORS

1. The Air Command Officer shall ensure that the expected arrival of all distinguished visitors including United States or Allied Officers of the equivalent rank of Commander and higher, is communicated to the Officer of the Day as soon as known. The Officer of the Day shall notify the Air Base Commander and the Executive Officer and shall make certain that a suitable officer meets the airplane and ascertains the needs of the visitor, also that necessary ground transportation is provided.

11. MESSES

1. Messes will be conducted in accordance with existing orders of the Navy and the Bureau of Supplies and Accounts. Hours of meals shall be published and food will be served outside of meal hours only at designated messhalls, and only to holders of special permits obtained from the Officer of the Day or the Duty Officer of the unit to which they are attached.

12. VEHICLES

1. All motor vehicles assigned to the Base shall be controlled by the Transportation Officer. He shall assign these vehicles for use. He shall inspect each vehicle at least once a week, and make any necessary repairs to the vehicle or its accessories. He shall make
