EXECUTIVE ORDER No. 7

Subj: Typhoon Bill.

Ref: IsCom Order 25-44 of 30 August 1944.

1. The following provisions shall become effective immediately upon receipt of a typhoon warning, with the exception of the Operations Division that has a separate typhoon bill.

CONDITION III is classified as an alert. It indicates a typhoon center forming within a radius of 400 miles or less from this island and traveling in a path which may possibly pass over Tinian.

(1) The MAA Force to police Camp Area to secure all loose gear and material. All hands present in area will be subject to CMAA's orders for this task.

(2) In Work Area each Division Officer will have all loose gear under his control secured.

(3) Each Division will have drivers stand by all vehicles under its control preparatory to moving to a place of safety when further word is passed. Check sufficiency of gas, oil, water and air.

(4) Stores will be placed in low piles. Insofar as possible tarpaulins will be placed over stores which would be damaged.

(5) Commissary Officer will be prepared to issue field rations.

(6) All personnel will fill canteens.

(7) Stop operation of and secure all mobile shops.

(8) As many airplanes as possible will be made ready for immediate flight in event it becomes necessary for them to be evacuated.

CONDITION II indicates that a typhoon center is forming within a radius of 150 miles or less of Tinian and traveling a path which will probably pass near or over the island. This condition constitutes a definite and imminent threat of a destructive storm.

(1) Carry out provisions of Condition III.

(2) Commissary Officer will issue emergency field rations.

(3) All vehicles not in use by the Medical Department for transporting sick will go to lee side of hills.

(4) Stand by to strike all canvas.
