CARRIER AIRCRAFT SERVICE UNIT FORTY-FOUR
C/O FLEET POST OFFICE
SAN FRANCISCO, CALIF.

P16/MM/JSP:bl

6 September 1944

From: Commanding Officer, CASU-44
To: Commanding Officer, ACORN-35.

Subj: Work Details.

1. For your information the following CASU personnel on your orders are assigned daily as indicated:

16 at Island Compound.

15 at Base Transportation Pool.

20 at Miscellaneous Work.

2. Attention is invited to the fact that the withdrawal of these men, most of whom are taken from Maintenance crews, seriously impairs proper servicing of Squadrons based on the CASU.

3. Since the CASU is considerably undermanned, it is felt all personnel now ashore should be made available exclusively for its use.

4. It is recommended that the CASU be relieved immediately from such work details.

J. S. PURNELL.
